Dear Greg:

On behalf of the faculty, staff and students of Colgate's Women's Studies Program, I want to thank you for the excellent work you and your company did on our new Center.

I was especially pleased you were able to be with us for our ribbon cutting and celebration. I would like to particularly commend the work and cooperation of Mr. Dick Somers in working on the construction of the Center.

Thank you again for helping to create a facility of which we are all very proud.

Sincerely,

Joan D. Mandle
