RE: Herkimer County Community College Library Addition/Alterations
Herkimer, NY - Recognition of Performance

Dear Rob,

I would like to take this opportunity to commend your firm on its performance as our Construction Manager for the \$7,000,000.00 construction project at the Herkimer County Community College Library. The teamwork approach and open lines of communication has established the excellent working relationship that has developed.

The company depth, experience, and knowledge that your firm brings to the table have made the project a success. The watchdog approach demonstrates your commitment to the college and the community. We feel that H.R. Beebe Incorporated always keeps our interests first.

I would also like to commend your Project Director, Mr. James Garito, and Project Manager, Mr. Michael Nuffer, and your support staff for their professionalism, management, coordination skills, technical abilities and belief in our "partnership" approach that are instrumental in the success of the project.

I thank you and hope to work with your firm again in the future.

Sincerely,

Nicholas F. Laino
Dean of Administration
