Dear Mr. Korrie:

On behalf of the New Hartford Town Board and the elderly of our community, I write to express our sincere appreciation for your work of excellence at our new Nutrition Site on Sherman Street. It is unquestionably an outstanding facility and has proven to be more of a success than we anticipated.

While I realize that you were compensated for your work, it is obvious that you and your talented work force performed a superior job. We believe we received more than our money's worth.

Again, thank you for a great job and I hope we can call on you again in the future. With kind regards, I am

Very truly yours,

*John*
